Unfortunately too many citizens don't take advantage of the court system and opt to pay for unjust parking tickets and it loses them money. If they had simply shown up to court they would have a good chance of being found not liable.

Some of the most common reasons you may be found not liable are:

- ★ Mistaken identity
- ★ Parking signs that are missing or obstructed
- ★ Parking meters that malfunctioned
- ★ The alleged facts are inconsistent

Although it may seem daunting to have to go to court with no prior legal experience, It can actually be quite easy! If you have unpaid parking tickets and want to challenge them in court, visit our website and social media
